Atlas 2000

A neo-classic theme brought up to date by modern media and striking dimension. *Atlas 2000* is a timeless concept for the truly tireless. A bold statement about fortitude and persistence made dramatic by glass steps leading to the mythological figure. An eclectic mix, the *Atlas 2000* includes: etched mouth-blown Optic Crystal globe; Starphire Crystal steps; pewter figure; chrome plated feet; and glass dome for a museum-like look.

For aesthetics we recommend positioning your logo and award inscription as shown. A romance card elaborating this theme is included for your presentation. *Atlas 2000* is a J.Charles Theme-Award original.
