Silver Ribbon

Presenting a Theme-Award not reserved in telling us of one possessing a certain verve. Nor is its spiral bashful about expressing a splendid ascent to the top. And its very festive look serves as a sure reminder that personal achievements are worthy of celebration. Available in starphire crystal or the less expensive jade.

For aesthetics we recommend positioning your award inscription as shown. A romance card elaborating this theme is included for your presentation. Another J.Charles Theme-Award original.
