

Horizon

Brushed aluminum combines with jade crystal for a designer look at a very affordable price. Our reverse etch semi-circle becomes part of the overall design and likewise compliments the brushed aluminum texture. For aesthetics, we recommend positioning your logo and award inscription as shown.

Aperture Award

A minimalist approach finds expression with the window of opportunity. Bent stainless mixes well with an etched textured pattern for an award that is forward thinking and surprisingly affordable. For best results we recommend etching your logo and award inscription as shown.
