

Nova Plaque

This design is living proof that plaques need not be boring. Made of lacquered wood and suspended glass, this cutting edge award is set off by two aluminum rods that command attention with style. The *Nova Plaque* is easily hung, or will stand alone with its acrylic stand. Note that for safety this item is packed as two separate pieces and requires minimal assembly.

Plaque 3D

Presenting another J.Charles innovation not to be found elsewhere. This contemporary design showcases two panels of etched glass positioned to add depth and dimension to your award. The lacquered wood base, aluminum columns and etched textures add up to a restrained palette that is designer and classy.
