

Constellation Vase

Set a standard for uniqueness with our innovative Constellation Vase. This stylized design showcases a hand-etched star cluster that forms an eye-catching crown at top. Rich with radiant sparkle, this award will broadcast success from afar. Please note that the nature of mouth-blown hollowware often produces bubbles and other imperfections and are not considered defects.

Aspire

Our *Aspire* is a beautiful piece of contemporary crystal featuring a striking angular cut, a ground and polished rim, and a sweeping ribbon that lends style to your inscription. It all adds up to a presentation that promises rave reviews. For aesthetics we recommend positioning logo, name, and award inscription as shown. Please note that the nature of mouth-blown hollowware often produces bubbles and other imperfections and are not considered defects.
