

Wine Cradle

Introducing the coolest way possible to display your favorite bottle of wine. Simply insert the bottle and watch it float at an angle that insures the cork stays moist. Made from jade crystal, this is an extra special gift when etched with a monogram. Another J.Charles exclusive.

Rosetta

Our beautifully designed *Rosetta Wine Stopper* is a great alternative to the not-so-beautiful cork stoppers that are far too common. This design fits all bottles from champagne to cabernet and requires only a gentle push for a snug fit. Made from faceted optic crystal and polished stainless with acrylic ribs. A J.Charles original and a colorful way to showcase your logo.
